R12,500,000

10 000sqm Vacant Land for Development in Gosforth Park, Germiston

Take advantage of a rare opportunity in Gosforth Park, Germiston, where prime vacant land awaits development in one of the area's most desirable industrial hubs. These sought-after parcels, including both inland and highway-facing sections, are competitively priced at R1,250.00 per square meter. Fully zoned and proclaimed, each plot comes equipped with essential infrastructure and benefits from stringent access control and 24-hour security, ensuring a secure environment within this strategically positioned precinct.

Starting from 10,000 square meters, these versatile parcels offer endless development possibilities, from custom projects to turnkey build-to-spec solutions managed by seasoned developers. Ideally located near major highways, Gosforth Park serves as an
