Expansive Cold Storage Facility - Prime Location with Unmatched Logistics Efficiency

This expansive 12,621m² industrial cold storage facility is expertly designed to meet all cold storage needs, featuring strategically placed cold rooms, chillers, and freezer rooms to ensure optimal storage conditions. Safety is a top priority, with comprehensive sprinkler systems installed throughout the premises. A robust three-phase power supply guarantees uninterrupted operations, while the spacious yard can accommodate super-link trucks, facilitating smooth logistics.

The facility also offers well-appointed office space, providing a professional atmosphere for your operations, along with ample parking for staff and visitors. A backup generator ensures operational resilience, and the facility's prime location next to the N12
