Freestanding 1056m² Industrial Warehouse available For Sale in Cleveland, Jhb.

Very neat freestanding 1056m² Warehouse For Sale in Cleveland. This property is centrally located within close proximity to all modes of public transport and shopping facilities it also offers quick easy access to the M2 AND N3 highways. The warehouse offers great height with excellent natural light and a 3 phase power supply consisting of 120 amps. There is a fire sprinkler system installed which is extremely rare for a building of this size and will definitely help with insurance premiums.

This property offers good truck access to both the yard in front and the yard behind the warehouse and also features 6 roller shutter doors at dock height for receiving and dispatch. There is a small office component which can accommodate 3 to 4 people
