390m² Factory with yard To Let in Anderbolt

This 390m² Factory is currently available for rent within a secure and safe park situated in the sought-after Anderbolt region. The factory boasts impressive eave height, allowing for abundant natural light to illuminate the entire space. Additionally, the factory features a sizable yard, a robust three-phase power supply, and generously-sized roller shutter door at ground level, ensuring effortless access to the factory floor.

Complementing these features, the unit encompasses a spacious reception area, a sizable offices, a kitchenette, plentiful parking accommodations for both staff and visitors, as well as restroom facilities catering to both the factory and office personnel. Strategically positioned just off Atlas Road, the property enjoys a convenient location with close proximity to the N12 and N17
