Smart, Secure & Versatile – Industrial Unit in Barbeque Downs

This neat 147m² industrial unit in the popular Barbeque Downs node of Midrand offers a practical and efficient space for a variety of business needs. A professional reception area welcomes clients and guests, while the convenient mezzanine level provides additional storage or office space. The warehouse, fitted with a roller shutter door, allows for seamless loading and unloading, making it ideal for light manufacturing, distribution, or storage.

Located in a secure, access-controlled industrial park, the unit also includes a private bathroom and benefits from 24-hour security. Positioned with quick access to the N1 and M1 highways, this unit combines convenience, functionality, and safety—perfect for
