187sqm Warehouse available!

This 187 square meter property, nestled in a secure industrial park in Clayville, is dedicated entirely to storage or workshop functions. The warehouse offers a spacious, open area ideal for various storage needs or workshop activities. It is designed to maximize operational efficiency with a focus on practicality.

The facility includes essential amenities such as a kitchenette and bathrooms, ensuring convenience for staff and operations. The kitchenette provides a space for meal preparation and breaks, while the bathrooms are designed for the comfort of employees. This straightforward, functional layout makes the property well-suited for businesses needing a reliable, secure space for storage
