400sqm Unit TO LET in Stormill

400sqm unit in Stormill presents a modern industrial space with outstanding features. It includes a high roller shutter door for effortless access and is outfitted with three-phase power to handle demanding operations. The open-plan design is adaptable, making it perfect for a variety of industrial or commercial applications.

The unit also boasts a well-appointed second-floor office area, ideal for administrative or managerial tasks. With its contemporary finishes and ample natural light, this office space promotes a productive working environment. Additionally, multiple bathrooms and showers are provided for the convenience and comfort of staff.

Located in a secure industrial park with controlled access, this unit offers enhanced safety and peace of mind. The combination of
