284sqm Industrial Warehouse in Stormill, Roodepoort

This 284m² industrial unit in Stormill, Roodepoort, is perfect for small to medium-sized businesses, offering a practical balance between office and warehouse space. The warehouse area is well-suited for storage, production, or distribution, and features a roller shutter door for easy loading and unloading. With three-phase power in place, the unit is ready to support a variety of industrial equipment and operations, making it a versatile option for different business activities.

The property includes a mezzanine level, providing additional space for storage or extra workstations, increasing its adaptability. The integrated office area ensures seamless administrative tasks can be conducted on-site, streamlining operations. Designated
